BLUE STARS SPONSOR-A-MEMBER PROGRAM

Greetings,

This letter was written on behalf of an individual who has been offered membership in the Blue Stars, a 501(c)(3) youth non-profit music & performance education organization. They are reaching out to you seeking support in making an incredible life-changing experience a reality.

Since 1964, the Blue Stars have instilled values of discipline, loyalty, commitment, and teamwork in young performers. Each year, hundreds of individuals audition to be a part of the Blue Stars, a World-Class drum & bugle corps with 165 members from across the United States and around the world. This individual was selected from a highly competitive pool. Earning a position in the corps is a significant achievement and they truly represent the very best of what dedicated young performers can achieve.

This summer, they will spend approximately 80 days on tour, traveling more than 10,000 miles and participating in over 25 performances and competitions across the county. It's a rigorous and transformative experience that challenges members to grow both as performers and as individuals. The time and dedication it takes to perfect the production is vast, and this individual has dedicated themselves to this unique performance experience joining the best of the best in the marching arts.

Each member is responsible for covering up to $6,850 in tuition and fees, which accounts for less than 50% of the actual cost of operating the organization. The **Sponsor-A-Member** program provides an easy way to support members and ensures every dollar contributed will be credited directly to a member's account balance.

If you would like more information or have any questions, you may contact the individual directly or please email director@bluestars.org to reach me anytime.

Thank you sincerely for your consideration.

Respectfully,

Bradley R. Harris
Corps Director

To sponsor this individual, please scan the QR code to be director to the **Sponsor-A-Member** page, or you can complete the following form, detach and send it with your sponsorship to our office. Checks payable to: ***Blue Stars***

Hi there,

My name is Cameron Williams and I am fundraising to pay my tuition to march with the Blue Stars.

Marching drum corps has been a dream of mine for as long as I can remember. Last year I was offered a position with the Blue Stars Drum and Bugle Corps but had to turn it down due to summer college commitments. When I received another opportunity this season, I knew I had to do everything I could to make it happen.

I previously marched with Jersey Surf Drum and Bugle Corps in 2022 and Seattle Cascades Drum and Bugle Corps in 2023, experiences that allowed me to perform at the DCI World Championships at Lucas Oil Stadium in Indianapolis and grow tremendously as a musician and teammate, as well as making friends that will last me a lifetime.

This summer would mean 70+ days touring the country, performing for thousands of fans, and working alongside 164 dedicated performers to bring an incredible show to life.

To march this season, I must raise $6,800 to cover tour fees, travel, housing, meals, equipment, and instruction.

Outside of DCI I have been the president of the Oklahoma State University ham radio club, and I am also a volunteer examiner for ham radio, and I love to volunteer my time to teach people in the commmunity how to get their ham radio licenses, a tool that the club under my leadship has been using to help people stay safe suring storms.

Thank you very much for your support!

Cameron Williams
